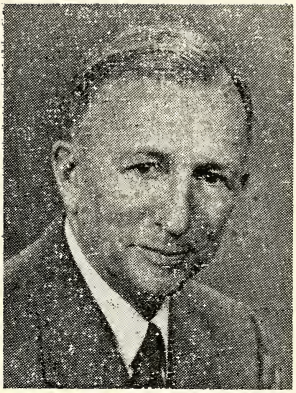
WELCOME!

You have already made your first step in the right direction. . .coming to Maryville College. This small but very important volume which you now have in hands was published so that you could continue your steps in the right direction! We want your college career to be as happy and as successful as it can possibly be, and our efforts will not have been in vain if the M Book can help even a little.

College is new, different, and exciting, and by reading the M Book you will know better what is happening at this particular college. College life is not found primarily in the classroom and textbooks, and although they are a vital part, M Book will acquaint you with the Other Part. . .the deeper, fuller life that is unequaled by any other. . .Your College Life!

Here's wishing you all the luck in the world.

THE STAFF



Sincere Greetings!

May your coming and your remaining for the new academic year be enjoyable and rewarding. Fulfillment of this wish will depend upon both the College and you.

The College does a serious business of developing an organization, facilities, and staff which will provide maximum opportunity for you to make your college experience both rewarding and enjoyable. If a choice is necessary one should choose the reward of work even without pleasure, but both are possible.

It is for each one to make it so for himself and others. The fact is that every one of us brings to college the potentials for these results. . .either a negative or a joyous disposition, either superficial or earnest habits of work. But much can be done to advance alike in disposition and habits.

That is why all of us are here. . .officers, faculty, and students. I trust this will be a good year.

Cordially yours,

Ralph W. Lloyd
President

ALMA MATER

Where Chilhowee's lofty mountains
Pierce the southern blue,
Proudly stands our Alma Mater,
Noble, grand, and true.

Chorus

Orange, Garnet, float forever,
Ensign of our hill!
Hail to thee, our Alma Mater,
Hail to Maryville!

As thy hilltop crowned with cedars
Evergreen appears,
So thy memory fresh shall linger
Through life's smiles and tears.

Lift the chorus, wake the echoes,
Make the welkin ring!
Hail the queen of all the highlands!
Loud her praises sing!

FIGHT SONG

"On Highlanders"

(Words and Music by Charles Huffman, '49)

On, Highlanders, down the field,
Rolling up a high score!
Tear into the end zone,
Smash on through that line,
Highlanders!
Send a rousing cheer on high,
Send a rousing cheer on high,
And our boys will shine.
Come on and fight, fight, fight!
Come on and fight, fight, fight!
For dear old Maryville!

TRADITIONS

Colleges have personalities just as people do. The things big and little - the traditions - make up this personality. As you become acquainted and catch the spirit of the traditions at Maryville, it will broaden your understanding of your college and will help to make your memories of your days here vivid and pleasant.

Your first memories will be those of LINES—registration, Treasurer's Office, Bookstore, but the nicest line is the FACULTY RECEPTION LINE. This is the official greeting of all the faculty for all the students and is a must for freshmen. Don your best formal, your firmest handshake, your most sincere smile, and enjoy yourself.

The first two weeks are hectic, happy days for freshmen as you are sought enthusiastically by the four societies. Theta Epsilon and Alpha Sigma, Bainonian and Kappa Phi, are the two pairs of sister and brother societies. These societies carry out friendly but competitive RUSH WEEKS sponsoring for freshmen such social events as teas, square dances, fashion shows, and splash parties. The climax of each RUSH WEEK is "The Formal". This musical production is written and produced entirely by students. Freshmen girls decked out in their loveliest formals are escorted by blind dates of the brother society. The decision of which society is a hard one, but whichever one you choose deserves your wholehearted support.

The STUDENT CENTER, with the Y-STORE, is the place to stop for a quick coke, sandwich, or icecream cone. Also, a game of ping-pong or bridge is sure to be in progress most anytime during the day. Stop in and enjoy the friendly atmosphere with other students.

WARMTH and FRIENDLINESS are two of the most important traditions at Maryville. The friendly "hi" and sincere smiles of all you meet are a vital part of the whole atmosphere. Be a part of this spirit—you will find friends are easily made.

Soon FOUNDERS AND HOMECOMING DAY comes in all its dignity. The morning chapel service, gay dorm decorations, and HOMECOMING PARADE make this a day to remember. The lovely senior girl who reigns as Homecoming Queen over the football game will have this as one of the happiest memories of her college career.

Your guess is as good as ours as to what the theme of this year's BARNWARMING will be. This is THE show of the Fall semester and is held each Thanksgiving eve in the Alumni Gym. Sponsored by the Y's, every effort is made to present the best talent in this musical production. The court of the King and Queen is made up of attendants from each of the four classes, elected by the student body. This, too, is kept top secret until BARNWARMING night.

In no time at all Christmas is here, bringing a welcome vacation. Although it is a busy season of final exams, you will want to plan time for the many beautiful musical programs and social events. Handel's MESSIAH presented by the Vesper Choir, and combined Glee Clubs, accompanied by the College orchestra, is one of the most inspiring programs of the year and no Christmas season would be complete at Maryville without CHRISTMAS VESPERS presented by the same groups the last Sunday night before vacation.

The sudden interest in domestic affairs evidenced every spring means that OPEN HOUSE is on the way. Put your room in its best "apple pie" order and be a part of this tradition of seeing how the other half lives!

Spring is officially here when college students, town people, and children make their way to the Amphitheater in the college woods for the annual MAY DAY PAGEANT. Produced by the Women's Physical Education Department, this colorful occasion is reigned over by the May Day Court. The Queen is chosen from the Senior Class and her attendants from the other four classes.

We began our traditions telling you about the first days on the Hill. As a climax comes COMMENCEMENT with its dignified services and many mixed emotions. One of the lovely traditions is the DAISY CHAIN composed of fourteen girls from the Junior Class, who form the chain through which the graduation procession passes. As seniors leave the campus many find that the strength, knowledge, and insight they have developed here is good preparation for worthwhile service in their chosen field.

Maryville emphasizes the building of the mind, body, and spirit. In her organizations she develops personality and friendship, as students work and play together. In her classes and studies she emphasizes the importance of intellectual curiosity and the acquiring of knowledge. And in her RELIGIOUS ORGANIZATIONS and services one's spiritual growth is nurtured and inspired to loftier goals. Through each of these areas there is a common purpose which is a strong unifying factor in the campus life. It is the spiritual emphasis on our campus that is the impetus to the friendliness and desire to help that are so prevalent among our students. This is an introduction to the religious program that Maryville offers. These are some of the high-lights of the opportunities and vital programs that are planned for the students to participate in, to share, and to enjoy.

ALL-CAMPUS PRAYER MEETING is held every Thursday evening at 9:30 in the Y rooms in Thaw

Hall. These meetings, led by students, provide an opportunity for all to share in prayer and Christian thought together.

The LITTLE CHAPEL located in the Samuel Tyndale Wilson Chapel is open at all times for private and small group devotions.

Sunday is a quiet, peaceful day for the students as they return from Sunday School and Church. In the afternoon the Y's give an inspiring program and in the evening VESPERS provides an opportunity for worship and praise as we hear a message from a speaker and listen to our own Vesper Choir. Sunday is the day that starts our week off with freshness and vigor.

Sometime early in the fall, the students begin their drive for the FRED HOPE FUND, which was established as a tribute to the memory of one of Maryville's outstanding graduates, Fred Hope, who spent his life as a missionary in Africa. Today this fund enables Maryville College students and faculty to have a part in some outstanding and needy mission work in the foreign field. In the past years we have given our support to a hospital in Ferozepore, India, where Dr. Dorothy Ferris, a graduate of Maryville, is head doctor. She was on our campus in 1955 telling us of the work and advancements that are being done in her area. This drive is not only a responsibility but a privilege. You'll want to share in this worthwhile enterprise.

In the first few days of our second semester we have an inspiring week of religious emphasis, FEBRUARY MEETINGS. The team of leaders, a speaker, a pianist, and a song leader, conduct the services morning and evening for a period of ten days. The strong student interest in these messages usually results in further group discussions after the regular services and in many private conferences with the leaders. Over the year students and faculty have found

renewed strength and spiritual re-awakening in these February Meetings, which are one of the oldest and strongest of our Maryville traditions.

Nothing is more beautiful than seeing the sun's first rays burst over the Smokies as the Vesper Choir sings, "Alleluia, Christ is Risen." EASTER SUNRISE SERVICE on Easter morning is an inspiring and enriching experience.

Each spring, near the end of the school year, the Y's RETREAT to a beautiful lake in the mountains for the week-end. This is a time not only of spiritual fellowship, but of spiritual evaluation of the programs and individual growth of the year. The RETREAT also gives an opportunity to plan a more pertinent and vital program for the following year. A new theme is chosen as a guide for both Y's to follow and to share. This year the theme is "Ambassadors for Christ." The Y's are important organizations on the campus, and their spiritual influence is shown by the active membership and wide interest that is shown as the students participate in the programs together.

In addition to the many groups on campus which give opportunity for spiritual growth there is MORNING WATCH for your own private devotions. These quiet moments mean much to the students who take advantage of them. We hope you may feel the true spirit of Maryville College and take part in the many opportunities offered for friendship and personal development.

ARTISTS SERIES brings to the campus each year outstanding musical and dramatic artists. LECTURE SERIES gives the opportunity to hear noted scholars and authorities in many fields.

ABC's OF GOOD DORMITORY LIFE

One of the first things we learn at college is to live with a large group of people instead of just the three or four that most of us are used to. Experience has taught us that the oft-quoted Golden Rule is the best policy to follow. Many rights and privileges are ours to enjoy as long as we are careful to respect the rights and privileges of everyone else. We're offering a few suggestions that we hope will make your days in the dorm happy ones.

Everyone likes to help a friend now and then, so be sure to do your share of helping. Of course, everyone should know how to be a good friend and refrain from being a habitual borrower.

Open house comes at a busy time of the year so you had better not wait until then to start cleaning your room. Your roommate probably doesn't like a messy room anyway.

Every night many people in the dorm want and need to do some concentrated studying. They will appreciate your consideration in observing their "busy" and "genius-at-work" signs as well as avoidance of loud talking and door-slamming.

Almost everyone has his own favorite radio program. Try to keep your radio turned down, so everyone can hear his own favorite program without interference from his next-door neighbor.

Guests and visitors have a way of appearing at the most unexpected times. It's always a good idea to appear properly clad when in the halls; otherwise it can be very embarrassing for an outsider to meet you, and vice versa.

Sincerity and cheerfulness are "musts" in making and keeping friends. Griping and "catty" remarks are a sure way of losing friends.

Your conduct in the lounges and public rooms should always be such that others will feel free and welcome to come in at all times.

To be a good dorm student DO:

—Limit the length of your phone calls
—Gather up the dirt after sweeping instead of leaving it in the halls
—Wait until after "busy" hours to wash your clothes in the bathrooms
—Respect study hours
—Be quiet in the mornings while others are still asleep
—Do your week's ironing in the laundry room and not on the ironing boards on the floors
—Clean the tubs, basins, etc., after using them
—Remove hot irons from the ironing boards
—Return supplies to the medicine chest
—Return pans and other equipment to dorm kitchen or rec room
—Be quiet and considerate of those who are trying to study or sleep
—Be a friend

3. No furniture should be altered or moved from rooms or lobbies without the permission of the Head of the Dormitory.

4. Each student must furnish and use a mattress pad.

Electric Current

1. Since the overloading of electrical circuits is a dangerous fire hazard, lamps, clocks, radios, and electric shavers are the only electrical equipment which may be used in dormitory rooms.

2. Provision is made in each dormitory for the use of ironing and cooking equipment at specified places. Such equipment must under no circumstances be used in any student's room.

3. There must be no tampering with the electric wiring.

4. The maximum current allowed to be used in a dormitory room under any circumstances is 150 watts per student. In computing wattage, radios, clocks, and electric shavers are not counted.

Radios must not be played between 11:00 p.m. and 6:00 a.m.

Illness

In case of illness, notify the Head of your Dormitory or the Housemother at once.

Emergency cases, of course, are received at any time.

3. If you visit patients in the infirmary, please observe the following visiting hours:

4:00—5:30 p.m.
6:30—7:15 p.m.

Ironing

1. All ironing must be done in the laundry rooms or other specified places. The ironing boards on each

floor of the women's dormitories are for pressing only.

2. No ironing is to be done on Sunday except emergency pressing between 7:00 and 9:00 a. m.

Laundering

1. All laundry must be done in the laundry rooms except in emergency cases when small amounts of light laundry may be done in the bathrooms.

In the women's dormitories this is handled by the monitors and officers of the Women's Student Government Association, and in the men's dormitories by the Head of the Dormitory as follows:

a. Any electrical equipment being used in dormitory contray to regulations will be confiscated.

b. Radios in use after 11:00 p.m. will be confiscated and placed in the office for one month.

General

1. Possession of liquor bottles, public or private signs, or road markers is considered, for obvious reasons, a disciplinable offense.

2. Possession of firearms, pass-key, or key to any dormitory room other than one's own is forbidden.

3. Regulations imposed by civil law are in effect College regulations. For example, the possession or use of fireworks is violation of Tennessee law and therefore a disciplinable offense.

Absence from the Dormitory

1. After 7:15 p.m. you must personally sign out and in on the sign-out sheet.

2. After attending any college function, return to the dormitory promptly (15 minutes is the maximum time allowed.)

3. You must always sign out and in on the sign-out sheet.

4. You may go to Maryville or Knoxville any weekday providing you return to the campus before 6:00 p.m. Trips to Knoxville are not made in the company of men, except by permission of the Dean of Women. (See WSGA Constitution for Junior and Senior privileges.)

5. If you wish to visit over the weekend or to be absent overnight from the campus, you will have to have written permission from your home or have had your parents previously sign the regular Standing Permission form which allows you approximately five visits a semester other than to your own home. Approval for these visits must be obtained in advance from the Dormitory Head, and your plans must be discussed with her so that she can fill out your activity card properly.

6. When properly chaperoned and arranged at least one week in advance with the Dean of Women, week-end camping trips are allowed; seniors and juniors may have two such trips a year, and sophomores and freshmen, one.

7. You may go to the College Woods in groups of two or more on weekdays and Saturdays, but not in the company of men. See WSGA Constitution (Senior Privileges).

8. When leaving the dorm, you must sign out and in on the proper sign-out sheet.

Lights

1. Lights are to be out in the Freshman-Sophomore dormitories at 11:00 p.m. each night. Warning lights will be flashed at a quarter until the hour for lights to be turned off and again at the hour for lights out. Light cuts for study only may be had in each room twice per week.

2. Lights in the Junior-Senior dormitory may remain on any night after 11:00 p.m. for study purposes only. The same regulations for quiet, each girl in her own room, and light cuts for study only, are in effect at eleven o'clock.

3. Lights may remain on in all women's residence halls until 12:00 p.m. on Saturday night with the rule for quiet after 11:00 still in effect. Permission must be obtained for parties after this hour.

2. Monitors will not need to be on duty on nights of large all-campus activities, such as Artists Series or formal dances.

Study

1. Dormitories are expected to be quiet for study after 7:30 each evening.

2. Campus activities are required to be terminated and men are expected to be in bed with lights out by 11:00 p.m., except for occasional study in one's own room.

Overnight absence must be arranged with the Head of the Men's Dormitory or the Housemother. It is important that the whereabouts of students be known at all times, in case they should be needed for any reason.

Lobby

Men living in the dormitory may entertain their families in the lobby.

Visiting

Visiting hours when men may visit in student rooms in Carnegie and Bartlett are from 3:30 to 7:15 p.m. each day.

Disciplinary Measures

Disciplinary measures will be taken by the Executive Council of the Faculty or the Supervisor of Men's Residence for infraction of these rules:

1. Abusing light privilege by habitually using lights after 11:00 p.m.

2. Being in someone else's room after 11:00 p.m. or having visiting students in his own room.

3. Creating a disturbance in dormitory.

4. Wilful destruction of property.

5. Violation of other dormitory regulations.

DINING HALL

Meals are served in the Dining Hall on the first floor of Pearsons Hall according to the following schedule:

Weekdays: 7:00 a.m., 12:30 p.m., 6:00 p.m.

Saturdays: 7:00 a.m., 12:30 p.m., 5:30 p.m.

Sundays: 8:00 a.m., 12:30 p.m., 5:30 p.m.

Your guests may eat in the dining room by arranging with the Dietitian. Meal prices are:

Weekdays:

Breakfast, 35c; Lunch, 75c; Dinner, 75c

Saturdays:

Breakfast, 35c; Lunch, 75c; Supper, 40c.

Sundays:

Breakfast, 35c; Dinner, $1.00; Supper, 40c.

All seven of your tablemates will appreciate your appearing well-groomed at meals, especially dinner. For Sunday dinner, both men and women are expected to wear their "Sunday best".

Try to make conversation table-wide, but remember there are tables all around you, and it is annoying to them to have to listen to your conversation. After all, loud and boisterous talking is bad manners anywhere. And speaking of manners, be sure to take them along when you go to the Dining Hall. A polite "please" or "thank you" isn't too heavy a burden for anyone to carry.

Your waitress will appreciate your thoughtfulness in getting to and from meals on time, since she has classes and obligations too.

It is customary that grace be said before every meal. Again our odvice is to be friendly and courteous!

Dating

1. Parlor dates may be had in the women's dormitory parlors from 7:00 until 10:30 p.m. any weekday evening by arranging with the Head of the Dormitory. Freshman and sophomore women may have four each month and Junior and Senior women may have an unlimited number.

2. Sunday dating for Freshmen and Sophomores is for the services only, with the exception of Easter and Baccalaureate Sundays, when afternoon dating is also permitted.

3. Calling hours for men in the women's dormitories are as follows:

Weekdays	1:00	to	1:20 p.m.
	3:30	to	5:30 p.m.
	6:30	to	7:15 p.m.
Town Night	5:00	to	7:15 p.m.
	9:30	to	10:30 p.m.
Sunday Afternoons	1:00	to	1:30 p.m.
Saturday Afternoons	1:00	to	5:30 p.m.

(Men may stay in the dorms after Vespers on Sunday until 8:15 and after Student Vols until 9:15.)

4. Couples may be together within the Circle Drive (the driveway circling the central campus) each weekday evening until 7:15 (7:00 on Sunday) and until 1:20 on Sunday afternoons.

5. Couples who date at announced College activities will return to the women's dormitories within fifteen minutes after the close of the activity; and men do not stay after that time. Otherwise, there is no dating on weekday evenings, except that men may walk with women directly from the Library or the Student

Center to the women's dormitories and leave immediately.

6. Dating in Knoxville for women other than Juniors and Seniors may be arranged occasionally by permission from the Dean of Women. Only bus transportation is approved.

7. Classrooms and classroom buildings are not to be used for dating.

Dancing

1. Social dancing each weekday (except Saturday) evening following supper till 7:15 is informal, held in the Intramural Gymnasium.

2. Two formal, all-college dances are held each year, one in the fall and one in the spring. For girls dress is formal; for fellows tuxedos are nice but not necessary—business suits are just as acceptable. Admission tickets and corsages are regulated by the Social Committee. Your request for a non-student guest must be handled through the office of the Dean of Women.

3. Occasional informal all-college dances have rules which say "No" to corsages, tuxes, and admission charge. Music is recorded, and the informal note is set.

4. Dancing is permitted for small groups scheduling parties in the Y-rooms or other small social rooms, by arrangement with the Dean of Women and those responsible for the premises involved.

Planning All-Campus Entertainment

1. Programs must be officially authorized and scheduled through the Faculty Committee on Scheduling of Activities (Office of Dean of Women).

2. Students programs are subject to preview by the Student-Faculty Committee on Student Programs.

Planning Parties, Picnics, and Other Social Activities

1. You must secure approval from the Dean of Women's Office at least five days in advance.

2. If the function involves transportation, it must be by a conveyance on which personal insurance is carried on the passengers—this means buses, trains, or private cars.

3. All social activities must be held on the campus or at some other approved place and must be properly chaperoned.

4. The "Y" Rooms are available if arrangements are made in advance through the "Y" Rooms Committee of the YWCA. There is a charge of 25c for use of the kitchen. Each social activity there must also be scheduled through the Dean of Women's Office.

Evening Activities

Evening activities must be scheduled in advance with the Faculty Committee on Scheduling of Activities (Office of Dean of Women).

Initiations

1. Initations are not to interfere with the general program of the College; for example, they must nat be such as to create disturbance in Chapel, classes, dining hall, or dormitory. They must not involve physical force or hazard.

2. Plans and procedures for initiations must be approved in advance by the Student Organizations Committee, in accordance with the principles stated above.

Smoking

1. No student is permitted to smoke anywhere on the campus. (The "Aztec Ruins", near the steps on the edge of the campus, back of Carnegie Hall, are considered off-campus for smokers.)

Automobiles

1. No out-of-town student may have an automobile or other motor vehicle while at Maryville College except by special permission given only in unusual cases. This permission is required whether or not parking space on the campus is desired; request must be made in writing through the Personnel Office before the car is brought.

2. Students living in Maryville who regularly use cars at the College must secure permit tags each year from the Maintenance Office. Parking spaces will then be assigned to those who park regularly on the campus. (Faculty members also secure permits and parking assignments.)

3. Women students are not permitted to ride in automobiles with men without permission from the Dean of Women. Permission should also be secured from the Housemother for other automobile riding (townspeople, visitors, day students, etc.)

Dress

1. Girls wear jeans, slacks, or Bermuda shorts for active sports, hiking and the like; but never to dining hall, classes, library, chapel, administrative offices, or off campus to the Grill or town. The same applies to the wearing of athletic or Bermuda shorts by men.

2. Men always wear shirts or jerseys, even when playing tennis.

3. Careless or sloppy dress is not acceptable in the dining hall at any time. Students are expected to give special attention to dress for Sunday dinner and other dress-up occasions; that is, girls will wear "heels and hose" and men "suits and ties" at such times.

General

1. Ball throwing or snowballing is not permitted near buildings.

2. Athletic facilities are not to be used on Sundays.

3. Visiting drug stores, restaurants, and the like between Sunday School and Church and on Sunday afternoon is not permissible.

4. Use of intoxicants by students is forbidden.

5. Pool-rooms and places selling beer or other al-

6. Each student organization must be approved by the faculty. No secret organization is permitted.

Demerits

These are given by the Executive Council of the Faculty for violation of College regulations.

Dismissal from College

This decision is made by the Executive Council of the Faculty when a student:

1. Accumulates four semester hours of penalty for excess absences within one semester.

2. Accumulates ten demerits.

3. Is guilty of a serious infraction or persistently fails to cooperate with the general program of the College.

ON GOING TO CLASS

Regular attendance at classes, chapel, Sunday school, and church is an important part of a successful record at Maryville College. You should not miss any scheduled class or other activity unless it is absolutely necessary, and you should keep an accurate record with your Housemother of any such absence.

Attendance requirements are based on the principle that credit is earned by attendance at classes as well as by performance on class work. So if a student incurs more than a minimum allowance of absences there is placed on his permanent record a statement of "unearned hours," which reduces his total credit and requires additional hours to be earned in order to meet graduation requirements.

In general, the procedure is this. To cover necessary absence, the student is allowed as many absences per semester from each class as the class meetings per week. This allowance must be used only for unavoidable absence, such as for serious illness or other emergency. The allowance for chapel is 5 absences per semester and for Sunday school and church (or Vespers) a total of 6 absences per semester (i.e., absences from Sunday school and church added together must not exceed 6). Absences for authorized college activities (athletic teams, debate teams, etc.) count half; absences on the day before and the day after an announced holiday or recess count double.

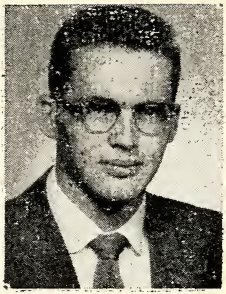
For each absence over the allowance, "unearned credit" of 1|5 semester hour is entered on the student's record. Exception is made only in unusual cases, such as serious illness requiring hospitalization, required service to the College, and the like, upon appeal filed by the student within two days following the

absence. The appeal is acted on by a faculty committee at the end of the semester, or earlier if required in special cases.

If a student accumulates as much as 4 semester hours of "unearned credit" in a semester he is suspended from College for the remainder of the semester, unless re-instated by the Faculty. Students on the Honor Roll (standing of 2.25) the previous semester are not bound by the class allowances, but a record of their absences is kept as for other students, and they must take all announced tests as scheduled. Such students have the same requirements as others for chapel, Sunday school, and church.

An announced test may be made up only by permission of the Personnel Office to the teacher concerned, upon presentation of evidence by the student that the absence was unavoidable. In case of doubt, the Personnel Office should be consulted before the absence. It is the policy of the College that in view of the delay and irregularity involved, a make-up test is to be more difficult than the original.

Absences for any cause totaling one fourth of the class meetings prevent a grade above "D" in the course; if absences total one half of the class meetings, "F" is given.



For those returning to Maryville, a warm hello. For the Freshmen, a hearty and cordial welcome.

Student Council plays a very important role in helping make your college days more pleasant. For this reason, you should choose your Freshman representatives with care. But of greater concern is your own participation in student activities. By so doing, you will be enriching not only yourself but also the college as a whole. Maryville can become much more meaningful when you enter in as a part of the entire program.

I would like to state that I hope you will find many memorable experiences in the progress being accomplished by our school. May your success at Maryville be the best possible preparation for mature living.

Sincerely,

Bob Goodlin
President of the Student Body

Hi!

On behalf of the Young Women's and Young Men's Christian Associations we take this opportunity to welcome each one of you to "The Hill" . . . Maryville College.

Part of our welcome has been accomplished already through our Nu Gamma, Big-Little Sister and Big-Little Brother programs. Through our program of study-worship-action, we hope to challenge you to a more vital Christian life . . . a life that may accomplish more in witnessing for Christ on our campus and in our community.

We pray that our programs for this year may become real to you, and that we may realize our responsibility to be "Ambassadors for Christ." We hope that you will accept our purpose and find an active place in the work.

Sincerely,

HOW WE SPEND OUR FREE TIME

While Maryville College puts its major emphasis, naturally enough, on scholastic standing, you'll want to be active in a few extra-curricular fields too. We warn you—you'll be tempted to join all the facinating clubs and organizations the campus boasts. But book learning comes first; better still, find a happy balance between grades and activities. You'll find enough of both to satisfy you; and while our hospital is cool and comfortable, it isn't run as a rest home for exhausted activity hounds.

We hope you'll find activities that will make the most of your time and interests. Efforts and enthusiasm wear better and are more appreciated when they are concentrated. If you budget your time wisely, you'll have not only good grades but also an important place in campus life.

HONORARY FRATERNITIES

Alpha Gamma Sigma

Alpha Gamma Sigma was organized in the spring of 1934, for the purpose of motivating high scholarship among students. Its requirements are similar to those of Phi Beta Kappa. Ten percent of the graduating class may be admitted provided tne members have a grade point ratio of 2.33, better than a B average.

Alpha Gamma Sigma awards a scholarship to the beginning of the junior year to the student who achieved the highest scholastic average over the first two years.

Pi Kappa Delta

Maryville has the distinction of having the Tennessee Alpha Chapter of Pi Kappa Delta, national honorary forensic fraternity. Debators of sophomore

classification or above who have fulfilled certain qualifications are eligible to be elected into its membership. Members of this organization are awarded orders and degrees according to rank and achievement. Maryville participates in the Pi Kappa Delta National and Provincial Conventions.

Theta Alpha Phi

Talented dramatic students may upon meeting certain requirements for membership, be initiated into the Tennessee Delta Chapter of the national dramatic fraternity, Theta Alpha Phi. Members of this organization take a leading part in dramatic activities on the campus; however, opportunity is given to all students to try out for the various plays given throughout the year.

Sigma Delta Psi

Maryville's chapter of Sigma Delta Psi was established in 1930. Membership is earned by meeting the requirements of various athletic tests in the presence of a responsible committee.

SOCIETIES

Bainonian

Varied activities and friendships highlight the program of Bainonian Society. Soon after school starts this year, Bainonian will join her brother society Kappa Phi to present a Rush Week program. Weekly meetings through the year are held in Bainonian Hall.

Theta Epsilon

Organized in 1894, Theta Epsilon Society has played an active part in campus life. The beginning weeks of school this year will find Theta and her brother society, Alpha Sigma, presenting their Rush Week. Meetings are held each week in Theta Hall.

Alpha Sigma

Alpha Sigma, founded in 1884, offers men of the College an opportunity to participate in activities that will build true friendships. It enters teams in all intramural sports and holds an annual weekend trip to the mountains, barbecue, banquet, and similar activities. It joins with its sister society Theta Epsilon in producing a dance and a Rush Week program.

Kappa Phi

Lasting friendships are made in Kappa Phi Society, oldest society on the campus. College men appreciate a society that brings them a varied and interesting social program and also active participation in the College intramural program. Kappa Phi joins Bainonian, its sister society, in its annual Rush Week program and holds weekly meetings in its society house.

OTHER ORGANIZATIONS

Student Voulnteers

Student Vols is affiliated with the national Student Volunteer Movement. Vols is a fellowship of students who wish to establish and further a significant concern in the missionary enterprise. It is composed not only of students who are planning to go to the field, but also, and chiefly, of all those who are in any way interested in the mission of Christ's church. The weekly programs (Sunday night after Vespers, usually in Bartlett Hall) present informative and challenging aspects of the work being done on both the foreign and home mission fields. Regular prayer-fellowship and study groups, a special missionary out-reach project, and socials also have a vital part in the total Vol's program.

Christian Education Club

The Christian Education Club was formed for the

purpose of giving an opportunity to prospective Directors of Christian Education and church workers to become familiar with various skills needed in the field. This is done through a program of lectures and laboratory periods. The club is open to all those interested.

Parish Project

Maryville College students render valuable service in the Faith Cooperative Parish, made up of small churches, schools, and mission points in the area surrounding Maryville. College students are needed in the program to serve as Sunday School teachers and as youth workers. More are needed to preach on Sundays and to teach during the week. Students are given a half-hour credit for this work and they attend weekly conferences for guidance in their program.

Pre-Ministerial Association

The Pre-Ministerial Association, organized in 1900, is open to all students who are planning to become ministers or who are interested in other phases of Christian service. In addition to its regular meetings twice a month the Association shares in planning with the other religious organizations, YM, YW, and Student Vols, the campus prayer meetings and other campus religious programs. Its members are encouraged to engage in some form of service to local missions and rural churches in the vicinity of Maryville.

CLUBS

International Relations Club

Maryville's I.R.C. is affiliated with the Association of International Relations Clubs. Its purpose is to stimulate an awareness of current international affairs. Student-led programs include movies, speakers, and discussions on such pertinent topics as Indo-China, Israel, and South Africa.

Pre-Med Club

To anyone who is planning to go into medicine or nursing the Pre-Med Club offers an excellent chance for hearing lectures on medicine and related fields from various prominent members of those professions.

Often there are student participation programs or selected short movies. The club meets twice a month throughout both semesters and interest is the only prerequisite to membership.

French Club

The French Club is composed of thirty members who are taking French and who qualify for membership by scholarship and interest. This club features semi-monthly programs of French songs, games, movies, and plays, and holds occasional socials.

German Club

All College students who are interested in German culture, regardless of whether or not they are German students, are eligible for membership in the German Club. Regular meetings are held twice a month to stimulate interest and arouse participation in different phases of German culture.

Spanish Club

The limited active membership of thirty, plus all native Spanish-speaking students on the campus, are elected from applicants who are interested in the activities of the Spanish Club. Besides the semi-monthly evening meetings, at which are presented programs of language, customs, culture, music, dance, and use of audio-visual equipment in the language laboratory, there are an outdoor picnic and a Christmas party featuring the Spanish pinata. All Freshmen are invited to visit the club when they arrive on the campus.

Women's "M" Club

This is the girls' athletic club of Maryville College. Membership is attained by making a total of 400 or more points through participation in what is known as Women's Athletic Association. In addition to activities two hours a week, the members meet monthly for business discussions and enjoy an athletic activity together. The high spot of the club's activities is the weekend hike in the Smoky Mountains once each semester.

Men's "M" Club

The Men's "M" Club is open to all varsity lettermen and male members of the coaching faculty. The purpose of the organization is to further the bonds of athletic brotherhood on the Maryville campus, to be of service to the school and the athletic program, and to increase loyalty to the best interests of the College.

Disc Club

The Disc Club was organized in 1936 to encourage music appreciation. Its organization is very informal, and all students who wish are considered members. Half-hour programs of music representative of various periods and styles are presented twice monthly after the evening meal.

Writer's Workshop

Literary interest and achievement are the basis for membership in Writer's Workshop. Members are elected from the junior and senior classes and faculty. Each member writes and presents to the group two papers each year for criticism and in turn serves as literary critic.

Future Teachers of America

Jasper Converse Barnes Chapter of the Future

Teachers of America was organized in the spring of 1949. All students planning to teach are eligible for membership in this club which is affiliated with the National Education Association.

B. G.

This is a small club of eight campus girls who keep the meaning of their initials a secret. At the end of each year two freshmen and one sophomore are elected members. Originally organized for hiking, the club today is purely social.

Business Club

The Business Club was formed for the purpose of promoting a better understanding of sound business practices and to give its members a wider acquaintance with the various fields of business and the opportunities and possibilities that they offer. This is done through semi-monthly meetings at which different business leaders talk to the group, and films on various phases of business are shown. Although membership is limited to majors in business administration and economics, its meetings are open to anyone interested in the field of business.

Music Education Club

The Music Education Club is affiliated with the Music Educators National Conference as Student Members Chapter 383. Membership is open to all students interested in teaching music. Meetings are held the first and third Thursdays of each month.

MUSIC

If you have any musical ability whatsoever, be it singing, blowing a tuba, or playing a violin, there's ample opportunity at Maryville to develop those talents. The musical program gets in full swing with the performance of the marching band at the football

games and ends with the choir's final anthem on graduation day. Recitals which anyone may attend are given from time to time by music students and faculty.

Vesper Choir

The Vesper Choir provides good training and genuine pleasure for those who are interested in singing. It is composed of about sixty members who must pass rigid tryouts before they are accepted. The group participates in the weekly vesper services and the daily chapel programs, and presents special programs in Maryville and surrounding cities. The choir has sung in many cities of the East, Midwest, and South.

All-Girl Choir

The sixty girls who compose this group are selected by tryouts each semester. They replace the Vesper Choir at the Sunday evening service a number of times a year. In the fall the Girls' Choir combines with the Men's Glee Club to present a sacred concert, and in the spring the combined groups present a program of secular music.

Men's Glee Club

This group consists of about forty men, but additional members may be admitted by tryouts each semester. The sacred concert in the fall and a secular program in the spring are the highlights of the year's activities for the Glee Club.

Band

The students who enjoy playing a musical instrument are urged to try out for the College marching band. The band, numbering about fifty pieces, plays for all the home football games and takes occasional out-of-town trips with the team. For freshmen and sophomores the marching practice takes the place of the physical education requirement. When football season

is over, the marching band reorganizes as a concert band, which gives an outdoor concert during the last fey days before commencement. Don't take the chance of not having an instrument for tryouts; bring it along with you this fall.

As befits true "Highlanders," the band is uniformed in authentically styled kilts of imported Scotch wool. They make a striking appearance on parade and are the pride of the campus.

Orchestra

Orchestra members are admitted and placed by tryouts each fall. They gain valuable experience in presenting two concerts of classical numbers annually and accompanying "Messiah." Their spring concert features an outstanding music student playing a well-known concerto.

Tau Kappa Chi

This is a musical organization for students who either are music majors or are taking applied music. Its purpose is to promote student and community interest in music. The aims are to raise the general academic standing of those enrolled in music; to provide a goal for students interested in music; to promote thoroughly trained musicianship; and to further the understanding of all types of music. A general average of B for the last two semesters is required for membership.

String Ensemble

The String Ensemble is open to all string players in the orchestra. Various programs are given throughout the year, both on and off campus.

DRAMA AND DEBATE

Playhouse

The Maryville College Playhouse has at its disposal

one of the finest and best equipped theaters in this part of the country. Under the superb direction of Miss Kathleen Craven, Playhouse presents three major productions each year. Last year, the plays were Arthur Miller's **Death of a Salesman, Begger on Horseback** by Kaufman and Connelly, and **Medea** by Robinson Jeffers. The major productions for this year will be Shakspere's **Twelfth Night, Loyalties** by John Galsworthy, and **Juno and the Paycock** by Sean O'Casey. Besides the three major plays, several one-act plays are given by Experimental Theatre.

Playhouse originated in the fall of 1949 and is open to all those who are in the least interested in acting or in any of the aspects of production. Organized on a point system, apprentices work for the positions of Journeyman, Player, and Master Player.

Debate

Debating is an excellent extra-curricular activity and is especially valuable for those planning to enter the ministry or law professions. The record of the varsity squad this past year was particularly outstanding. In the Tennessee State Tournament, Maryville took top honors including first in debate and first in oratory. The Smoky Mountain Tournament was held on the campus in the Spring, and Maryville placed first in debate, won several individual events, and was second for sweepstakes. At the South Atlantic Forensic Tournament, M. C. tied for sweepstakes with University of South Carolina and took either first or second place in each of the ten individual events and first in debate. The climax of the 1956-57 forensic year was the National Pi Kappa Delta Convention at Brookings, South Dakota, attended by one hundred and forty-four colleges and universities: Here M. C. rated good in debate and discussion, excellent in both men's and women's extempore, superior in oratory, and excellent in sweepstakes.

CAMPUS PUBLICATIONS

Opportunities for creative writing are offered through the various college publications. Many who are interested in journalism gain valuable experience by serving on the staff of the college newspaper.

Highland Echo

The **Highland Echo** is the college newspaper, usually published weekly. Freshmen and other new students are welcome and urged to try out for staff positions if they are interested. At the end of each college year, staff promotions are made on the basis of writing, interest, and dependability. The **Echo** constitution limits the number of staff members from each college class. The editor is elected by the staff, and is usually a senior. Chief purpose and policy of the **Echo** is to present campus news as interestingly and as thoroughly as possible.

Chilhowean

The **Chilhowean** is the annual year-book which is published by members of the junior class. It gives a vivid account in pictures of the outstanding events of the year as well as individual pictures of almost all of the student body.

Alumni Magazine

The **Alumi Magazine** sends news of the College and alumni to former students of the College. It is published quarterly by the Alumni office.

M Book

As you have already discovered, the **M Book** is the little volume you are now reading. It is published every year by the YMCA and YWCA and is the official College handbook. College rules, customs, and activities are described within for the student's benefit.

SPORTS

For the fellow who has at sometime dreamed of being a star in some sport, Maryville offers many opportunities. Maryville is very active in intercollegiate sports and also maintains a well organized intramural program for those who wish to participate. For the girls there is a well-developed point system whereby a girl may earn an "M" or an "MC" monogram. No one is expected to wear other school letters at Maryville.

Maryville does not buy her athletes. Those who participate in intercollegiate sports earn their places on the teams by physical prowess and acceptable scholarship.

INTERCOLLEGIATE ATHLETICS

Maryville is known for her strength in minor sports. She competes with the best colleges and universities in the field. In past years Maryville has placed high in wrestling in the Southeastern AAU Tournament. This past year our baseball team won twelve and lost five and our track team won four and lost one meet. The tennis team broke even winning five and losing five.

In major sports Maryville holds her own with colleges of the same size. Through the years she has had good records in baseball, basketball, football, and track.

Let's all support our teams enthusiastically, win or lose, because school spirit is part of Maryville's athletic program, too.

INTRAMURALS

Every man has a chance to participate in non-varsity sports through the intramural program, which develops social traits as well as physical fitness. The program

includes touch-football, soccer, volleyball, basketball, swimming, wrestling, track, softball, tennis, golf, ping-pong, badminton, and cross country. The physical education requirement consists of two hours a week of regular gym classes for freshmen and sophomores. All classes participate in intramurals on an election basis, and share in the fun and recreation which these sports provide.
